

# BEP NEWSLETTER

3rd edition

*Barnfield Education—educating the future today*

**April, 2016**

## *A Warm Welcome to our new Teacher*

It's our pleasure to welcome you to this edition of BEP Newsletter. The Main focus of this edition is to showcase some happy moments during Barnfield HuB 2nd Year anniversary, announce new opportunities for our students and to welcome our new teacher to BEP education.

**Cutting of the anniversary cake by the Chair**

At BEP we seek to deliver value for money to our committed and supportive parents who sacrifice time and money to ensure that education of their children does not suffer regardless of their ever-changing economic situations. We are resolute in maintaining our vision and aims to provide effective teaching and learning support to Barnfield students and the entire Barnfield community. As part of our commitment to maintain student ratio of 1:10, we are recruiting more teachers. This month, a new qualified and experienced Primary teacher has just joined the team of our professional teachers at BEP. A big welcome to Mr. Abraham! We hope that you will enjoy your time with us at BEP.

Additionally, as 2016 SATs exam is about 3 weeks to commence, we will be running intensive revision session to all Year 6 Primary School pupils within the community in preparation for their SATs exams. We will also be running GCSE and A-Level exams revision session in early May. If you are interested in any of the revision classes please, contact us to book a place for your child. We encourage Year 6 parents to book a place for their children because the SATs sessions will help students to practice and understand how to deal with the NEW SATs structure.

Also, to meet the needs of parents, we are starting **11 Plus Tuition** with a specialist teacher later this month for our Year 5 primary students. We hope that parents will grasp this opportunity and register their children for 11 Plus tuition.

*BEP Co-ordinator.*

**BEP location— Barnfield Hub, Herbert Place SE18 3BD**

### **SATs Booster classes.**

**SATs 2016 Booster classes**

- Welcome new Teacher
- Information on SATs-2016
- Information on 11 Plus Tuition & Revision
- Our Website
- Payment details
- Barnfield Hub Anniversary Pictures

## Important information to parents

### Attendance

Please be reminded that once your child register with us, they are expected to attend Saturday school every weekend. You will still be charged if your child is absent, however we may discretionary waver the contribution if your child is off due to illness, this will be assess on a case by case basis. Unauthorised absence is not permitted in any form; if your child is not able to attend for any reason including sickness please, ring the school office and report your son/ daughter's absence. Regarding punctuality, BEP takes punctuality very seriously, therefore; we are appealing to all parents to remind their children to get to class on time, classes starts 10:00am prompt!

Recently, we've noticed that some students attend Saturday school without their notebooks and pencil case; this is not acceptable! Your child must come to school with correct equipment. Primary students must bring the recommended textbooks plus notebooks and a complete pencil case—parents should endeavour to provide all necessary resources to their children.

### Reporting absence

To report your child's absence by calling of emailing the contacts above, please make sure you leave a message by 9:30am, we require (i) Child's name (ii) Child's year group (iii) Reason for absence

### Contact details

Please ensure we have your correct contact details in case we need to contact you during an emergency. These should include:

- The name of parent/carer
- The address where the child is staying
- Full contact details for the adult responsible for your child.

### Keeping us informed of child progress

Please ensure that we have your child latest school report on file so we can give your child full support to help them improve in their school work and grades.

**Bravo to BEP! We have a new fancy WEBSITE** designed by our talented in-house team, after months of working extremely to design a website that sets the standard in the industry, we are proud to announce that we have branded and launched our new website!

After some careful research and taking into consideration the feedback that we had received from parents, we set about planning to build our new website. The site has been designed with the visitor flow in mind, ensuring that it's easy to navigate around for teachers, parents and students alike.

Deon Parent *"When I was asked to build the website my vision was to create a website that is simple yet iconic and unforgettable. I really feel that we have achieved this with this stunning, easy to use, functional website".*

The site will also be getting even more incredible over the coming months so watch this space!

***The new website has facilities for teachers and student to communicate homework, peer to peer interaction and lots more, please login and check out Microsoft Office 365, you will be amaze!***

## **BARNFIELD HUB 2ND ANNIVERSARY**

***Cutting of the anniversary cake by the Chair of Friends of Barnfield***

***BEP Students with the Matthew Pennycook MP and Councillor John Fahy***

## BEP parents association

### **The concept of P.A.S.S. (Parents Accountable for students' success)**

This initiative will enable parents to get involve in their children's learning. By making sure that all parents provide all resources and equipment needed by their children for learning. Members of PASS visit the school on Saturday during lesson to see how learning takes place. They are responsible for spreading the news and supporting other parents who are not supportive of their children's education.

### **The use of inter-generational approach**

This initiative help parents to learn some basic computer skills from our most able students. Students who are bright with excellent IT and computer skills are selected to teach parents. Students are not allocated to teach their biological parents but other parents to ensure inter-transfer of knowledge from one generation to another. The parents will also have the opportunity of teaching the students some key skills. For example, vocational skills like cooking and baking. We focus on these two skills for now.

*If your child is attending our Saturday school, we strongly encourage you to join BEP parents association.*

*For more information on joining please contact us by phone, by email or come to the school office on Saturday and talk to the admin officer.*

BEP Parents Meeting 26th March 2016
